

**EAST
CENTRAL**
COMMUNITY COLLEGE

2012-2013 President's Report

Brief History of the College

The Legislature of the State of Mississippi adopted the first basic laws for the organization and operation of Mississippi public junior colleges in 1928. Consequently, East Central Junior College opened its doors to a freshman class of twenty students for the first regular session in September of that same year.

The college initially occupied buildings that were a part of the Newton County Agricultural High School, which had been organized in 1914. The Agricultural High School was located on property belonging to the Decatur Municipal School District, which had been created in 1912. The upper high school grades that comprised the Newton County Agricultural High School were a part of the college until 1958 when they moved to the Decatur Attendance Center.

In March of 1939, East Central Junior College was accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACS-COCS). It has been reaffirmed each decade since. Today, the College holds membership in the American Association of Community Colleges (AACC), The Southern Association of Colleges and Schools (SACS), The Mississippi Association of Colleges (MAC), and The Mississippi Association of Community and Junior Colleges (MACJC).

Originally the institution was supported by three counties — Newton, Neshoba and Scott. Later they were joined by Leake (1931) and Winston (1935). Also, in response to an expanded mission and legislative permission, the institution's name was changed from East Central Junior College to East Central Community College in 1988.

From the two members of the original faculty of East Central Community College, Mrs. W.W. Newsome and Mr. Robert Marshall, the number of full and part-time personnel has increased to more than 240. Since its founding, eight presidents have served the institution.

Letter From the President

Dear ECCC Supporters:

During the 2012-2013 academic and fiscal year, several significant accomplishments, milestones, and notable events occurred in the life of East Central Community College (ECCC). The college's accreditation was reaffirmed for another 10 years by the Southern Association of Colleges and Schools Commission on Colleges (SACS-COC) and the institution received the largest private donation in its history and one of the largest ever given to a community college in the state of Mississippi, just to name two. Yes, our college can take great pride in the achievements of 2012-2013 thanks, in large part, to the efforts of our ECCC faculty, staff, administrators, students, board members, and alumni.

Therefore, it is my pleasure to provide a recap of our year at ECCC through this publication. I invite you to review the President's Report to learn about ECCC's achievements during 2012-2013. The accomplishments contained in this publication are varied, and the highlights come from a wide range of college programs and activities. I hope you enjoy learning more about ECCC and our commitment to offering high quality and affordable educational opportunities to citizens from the five-county service area the *EC Way—Excellence with Class!*

As we began to compile highlights for this report, it dawned on me that they are all made possible through the support this institution receives from legislators, local elected officials, community partners, business leaders, alumni, friends, and donors. As valued partners, these individuals have made a significant difference in the lives of our students through supporting their dreams for a better life. They have also demonstrated their belief in our

Dr. Billy W. Stewart

college's vision, mission, core values, and institutional commitments, and we are extremely grateful for their continued relationship and generosity. It is their support that allows us to touch lives through education and make a positive impact on our students and the communities we are blessed and called to serve.

While we look back with pride over all that's been accomplished this past year, we also look forward to a bright 2013-2014 as we begin our initial efforts to achieve **2020 Vision**. With the approval of this new strategic plan by our Board of Trustees, it is anticipated this annual publication will help document ECCC's progress toward achieving the institutional commitments adopted as a component of **2020 Vision**. Please know that as we pursue those commitments, we remain committed to our core values of Wisdom, Excellence, Accountability, Respect, Enthusiasm, Efficiency, and Creativity. After all, **WE ARE EC!**

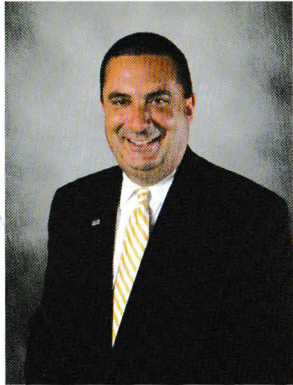

I hope you enjoy reading about the students, faculty, staff, alumni, and community members who help create a stimulating and engaging educational environment at ECCC!

Sincerely,

A handwritten signature in black ink that reads "Billy W. Stewart". The signature is fluid and cursive, with a large, stylized "B" and "S".

EC Art Instructor's Work Selected for Exhibit

East Central Community College art instructor Chris Brady had his work "Bombers" selected by the Mississippi Watercolor Society's Grand National Exhibition for display at the Mississippi Museum of Art in Jackson from October through December 2012. EC Transfer Students Prove Successful; College Named Among Fastest Growing

The success of East Central Community College students was evident in reports from Mississippi's Institutions of Higher Learning (IHL), which revealed that transfer students from ECCC achieved the highest cumulative grade point average of all community college transfers in the state with a 3.18 average at the state's eight public, four-year institutions.

The average for all 15 community colleges combined was a 3.08 GPA, which again showed that community college transfer students performed academically as well or better in university courses than students who began their education at the senior institutions.

"This data, compiled and reported by IHL,

confirms that faculty and staff at East Central Community College are committed to student success and to preparing transfer students well for the academic challenges of a university. Based on the performance of our students, no one does that better than the faculty and staff at East Central Community College," College President Dr. Billy Stewart said.

In addition to its academic success, East Central Community College was also listed as the Sixth Fastest Growing Community College in the nation with enrollments from 2,500 to 4,999, according to reports published in *Community College Week*.

At right is an advertisement placed in local newspapers highlighting the college's academic and enrollment successes.

Students, Public Can 'Google' to Locate Campus Facilities

Students who need to know the exact location of a campus facility or classroom at East Central Community College in Decatur are now able to access the information with the use of Google, which released an "indoor navigation tool" as part of its Google Mobile Maps.

Specifically designed for Android smartphone and tablet users, the new technology allows users "to quickly and efficiently navigate through indoor spaces, picking up where GPS leaves off," according to information provided on Google's website. There is no charge for the service.

ECCC President Dr. Billy Stewart said ECCC is pleased to serve as an educational partner with Google in providing the service not only to students but for the public as well.

"The Google Indoor Mapping service is a great tool for new and prospective students and guests of the college who may not know where

a room or an office is located in a particular building," said Dr. Stewart.

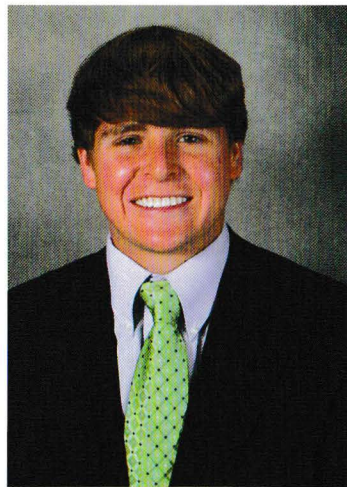

"This information will also be useful to law enforcement in the event of a campus emergency."

Instructor Chris Ryals and his drafting and design technology students uploaded drawings for each building to be included in the Google search.

"Our students were very excited about the opportunity to partner with Google in this project," Ryals said. "We are also excited that East Central Community College is the first Mississippi community college to announce a partnership with Google Indoor Maps."

Google indoor mapping is a relatively new initiative from Google started in 2011.

Hall of Fame Recipients Announced at ECCC

Recipients of Hall of Fame and other honors were recognized during the annual Awards Day program.

Selection to the Hall of Fame is considered the highest honor a student can receive at the college, according to Dr. Billy Stewart, ECCC president, who presented the awards.

"To be considered for this prestigious honor," Dr. Stewart said, "students must demonstrate exemplary character, superior scholarship, worthy leadership and contribute to the betterment of East Central Community College."

Hall of Fame inductees for 2013 include (from left) Claire Griffin of Decatur, a graduate of Newton County High School; Andrew Hanna of Union, a graduate of Newton County Academy, Emily Marler of Morton, a graduate of Morton High School Cain Prestage of Carthage, a graduate of Leake Academy; Hannah Farmer of Decatur, a graduate of Newton County High School; and LaJoya Griffin of Philadelphia, a graduate of Philadelphia High School.

Their photos will hang in the Hall of Fame Collection in the lobby of Huff Auditorium.

ECCC Presented \$92,000 MDOT Grant

Several improvements will be made on the East Central Community College campus in Decatur as a result of a \$92,000 Mississippi Department of Transportation (MDOT) grant presented today (June 11) by Central Transportation Commissioner Dick Hall.

Commissioner Hall officially presented the grant check to ECCC President Dr. Billy Stewart during the June meeting of the college's Board of Trustees.

While making the presentation, Commissioner Hall said, "We are

pleased to be part of a project that is a key component in creating safe and easy pedestrian access to several areas on the Decatur campus and the Town of Decatur. The grant will be an invaluable investment for East Central students and the Town of Decatur for years to come."

Dr. Stewart said the college is "most appreciative" to Commissioner Hall for coming to campus and personally presenting the \$92,000 grant check, and looks forward to completion of the much-needed project.

EC Yearbooks Available on Web

Yearbooks produced at East Central Community College as far back as 1937 have been digitized and can now be viewed through the college website.

The project was made possible through the LYRASIS Digitization Collaborative - a Sloan Foundation grant-subsidized program that has made digitalization easy and affordable for libraries and cultural institutions across the country.

"Through the Collaborative's partnership with the Internet Archive, all items were scanned from cover-to-cover and in full color," explained Dr. Stacey Hollingsworth, Executive Director for Foundation and Alumni Relations. "Viewers can choose from a variety of formats for paging through a yearbook by choosing the 'read online' option, downloading the PDF, or searching the full text version."

To view the collection, visit <http://archive.org/details/eastcentralcommunitycollege> or visit the East Central Community College Library link at <http://www.eccc.edu/library.html> then click on the Wo-He-Lo Digital Archive link.

For more information, contact Dr. Hollingsworth at ECCC, 601-635-6327 or call toll free, 877-462-3222, ext. 327. Her e-mail address is sholling@eccc.edu.

ECCC retirees received special recognition during the college's annual end-of-the-year luncheon. Each received a framed resolution commemorating their years of service to ECCC and the field of education. They were also presented various gifts. Diamond Warriors Capture 2013 State Championship

A one-hit shutout by right-hander Severino Signa and clutch hitting by Tim Anderson and Chase Domino helped lead East Central Community College to a 4-0 victory over Northwest Mississippi Community College and the 2013 MACJC State Championship Sunday, May 12 at Pearl River Community College in Poplarville, host for this year's tournament.

The Mother's Day victory represents the second state title for head coach Neal Holliman, who led the Diamond Warriors to the 2007 championship in his first year at the helm.

ECCC captured its first MACJC victory in 1998 when Holliman served as assistant coach to the late Jamie Clark.

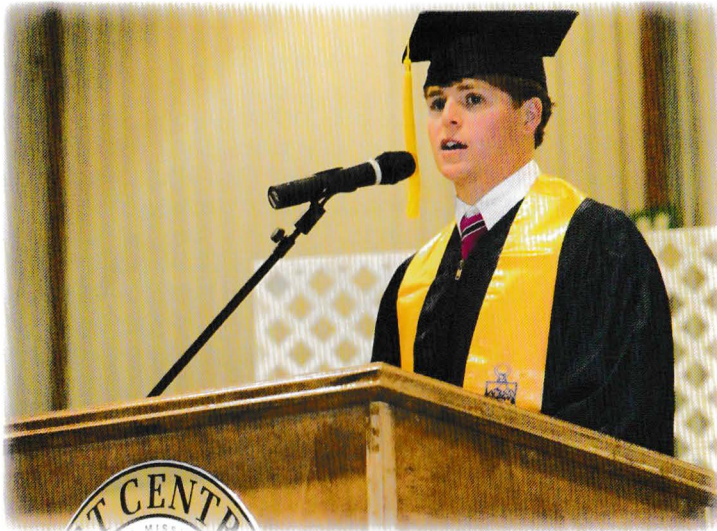

After capturing the MACJC State Championship, the Diamond Warriors won one of two matchups in the Region 23 Tournament to finish 32-21 under seventh-year head coach Neal Holliman.

Holliman's staff includes assistants Justin Brewer, Jack Edmonson and Slater Lott.

Anderson Goes to White Sox in First Round of MLB Draft

A career in Major League Baseball is now a reality for East Central Community College baseball standout Tim Anderson who was a first-round selection by the Chicago White Sox and 17th overall pick in the 2013 MLB Draft Thursday, June 6.

Anderson, the only community college player in the nation who was invited to attend the draft selection program held in New York and shown live on the Major League Baseball Network, said while interviewed following the announcement: "Dreams do come true....never give up."

ECCC head baseball coach Neal Holliman, who was also in attendance for the draft selection program, said of the nation-leading

slugger and talented shortstop:

"Everyone knew that Tim has the ability and is a tremendous athlete, but what I keep informing people, is that his mental make-up is just as outstanding as his ability. We are very proud of Tim, and the contributions he made to our program go way beyond the field of play. We wish him the best and he will always be a great representative of East Central Community College, just as the other draftees that have come before him."

Anderson was named a First-Team NJCAA Division II All-American, NJCAA Male Athlete of the Year and is the fifth Diamond Warrior selected in the Major League Draft since 2009.

Tennis Teams Earn Top NJCAA Academic Honors

Seven East Central Community College athletic teams and numerous student-athletes were recognized for academic achievement by the National Junior College Athletic Association, according to a news release from the NJCAA Headquarters in Colorado Springs, CO.

ECCC President Dr. Billy Stewart said the academic honors reflect the type of athletic program the College strives to produce each year.

"East Central's **2020 Vision** includes a desire to be 'nationally recognized.' Well, few, if any, of the more than 500 NJCAA community/junior colleges can claim that seven of the 10 athletic teams (70 percent) qualified for NJCAA Academic Team of the Year by earning at least a 3.0 average team grade point average," said Dr. Stewart. "Fewer still can boast that five of their teams finished in the top five in the nation with two

national Academic Teams of the Year – Men's Tennis and Women's Tennis. In addition to that, 15 East Central student-athletes were recognized for outstanding individual academic achievement. Those numbers are remarkable when considering the size of our student body and the number of student-athletes enrolled at our college. I want to congratulate and thank our coaches and our student-athletes for their efforts in the classroom this year. They performed the EC Way – Excellence with Class, and I am so proud of each of them!"

ECCC's women's and men's tennis teams received the highest honors as each was recognized as 2012-13 NJCAA Academic Team of the Year.

The Lady Warrior tennis team led the nation with a 3.77 grade point average.

The Warrior tennis squad achieved a 3.76 grade point average to claim

the most prestigious national honor. Dianne O'Neill and Kyle Watson served as EC tennis coaches.

The Soccer Warriors finished a close second for NJCAA Academic Men's Soccer Team of the Year by posting a 3.13 grade point average and missed earning the top honor by two hundredths (.02) of a point.

Kenneth Thompson serves as head coach.

The State Champion Diamond Warriors placed third for NJCAA Academic Baseball Team of the Year with a 3.35 grade point average. The recognition marks the fourth consecutive year EC's baseball team has finished in the top 20 in the nation and second straight year the squad placed in the top three.

Neal Holliman serves as Diamond Warrior head coach.

The Lady Warrior soccer team tied for fourth for NJCAA Academic

Women's Soccer Team of the Year honors with a 3.37 grade point average.

Since the program's inception in 2005, the Lady Soccer Warriors have never finished lower than sixth in the nation and earned NJCAA Academic Team of the Year honors on three occasions, most recently in 2011 and 2009.

Kenneth Thompson served as Lady Warrior head coach.

EC's softball team tied for 12th in the nation by posting a 3.42 grade point average.

Kristin Chaney serves as Lady Diamond Warrior head coach.

EC's golfers finished tied for 23rd in the nation with a 3.15 grade point average.

Chris Clark serves as Warrior golf coach.

Massey to Lead ECCC Lady Soccer Warriors

After leading Florence High School soccer teams to three consecutive state titles during a highly successful eight-year tenure as head coach, Gray Massey hopes to continue his success on the college level.

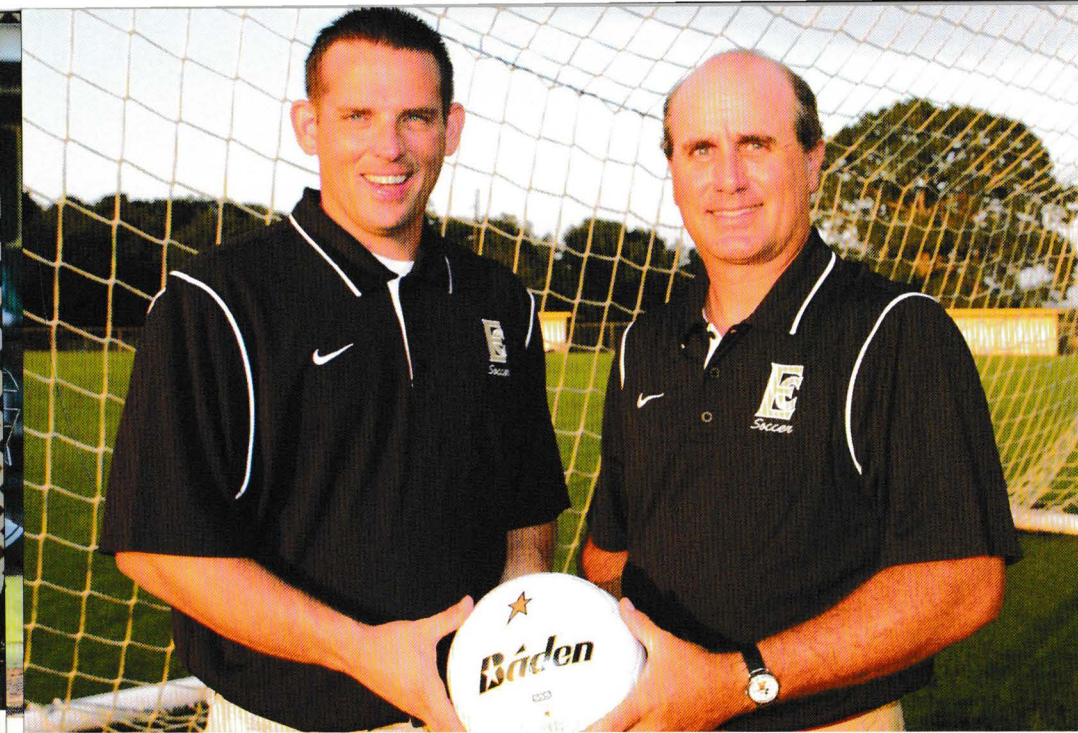

Massey, 35, was selected to lead the women's soccer at ECCC. He succeeds Kenneth Thompson who has led the Lady Warrior program since its inception in 2005. Thompson continues to serve as men's soccer coach.

Massey led the Lady Eagles soccer team to two straight state championships in 2012 and 2013 and his men's team captured the 2011 state title.

Massey, a Brandon native, is a former standout soccer player at Northwest Rankin High School, Hinds Community College and Mississippi College in Clinton.

He received a bachelor's degree in sociology at Mississippi College in May 2001 and completed a master's degree in coaching education at Ohio University in Athens, Ohio, in August 2013.

He and his wife, Lauren, have two children, Reid, four; and Ryleigh, two.

Robert Thompson was introduced as the new Warrior head basketball coach during a press conference held Tuesday, May 14, 2013, in the Board of Trustees Room located in the Vincent Administration Building.

Thompson, 44, comes to East Central following a 10-year career as head coach at Spring Hill College in Mobile, AL, where his teams accumulated an overall 142-156 mark.

His best season was in 2005-06 season when the Badgers went 23-7 and finished second in the Gulf Coast Athletic Conference and made a Sweet 16 appearance

in the NAIA National Tournament. Thompson was named Conference Coach of the Year in recognition of the successful campaign.

Prior to arriving at Spring Hill, Thompson was head men's basketball coach at Arkansas Tech University.

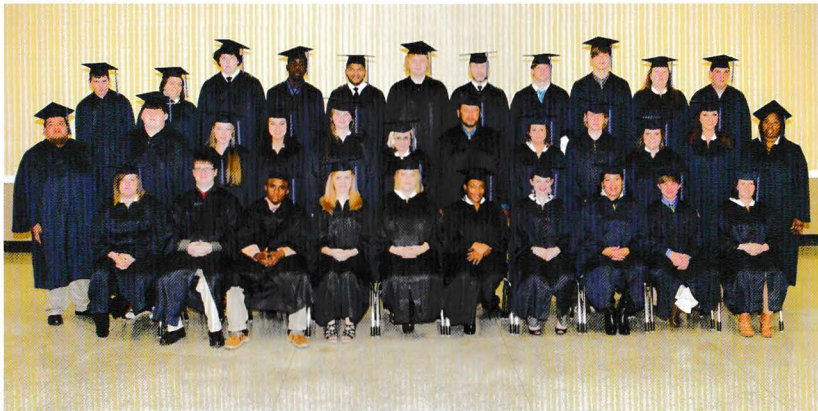

He received a bachelor's degree in physical education from Belhaven College in 1992 and completed a master's degree in physical education from Jackson State University in 1997.

Cooper Marks Half-Century on ECCC Sidelines

Players and coaches have come and gone, but one person that remains a constant along the sidelines of East Central Community College's Warrior Field is Don Cooper.

The 2012 season made 50 years that Cooper has been marking first downs for the Warriors' home games as part of the chain crew, and the 74-year-old isn't ready to give it up anytime soon.

He was honored last season during the Warriors' home football finale with Pearl River.

Cooper played football and basketball at Decatur High School and was a member of the 1956 Warrior football team lead by Coach Clayton Blount. But it was a few years later in 1962 when then coach Dan Chatwood recruited him as a member of the "chain gang."
